Date: 1/12

Sub: Regarding Provision of Medicine.

As per provision of the scheme communicated vide O.M dated 25/10/2007 that the medicines to the beneficiaries shall be provided by the concerned attached dispensary/hospital. In case, any medicine is not available in hospital the beneficiary would be allowed reimbursement of such medicine.

Accordingly, all AMAs are requested to follow the instructions strictly and in case the beneficiary have to purchase the medicine then the "Non Availability " Certificate may be issued.

It has also been observed that many beneficiaries have purchased the medicines without obtaining 'NA' Certificate from the attached dispensary/hospital. In that case AMA are requested to issue the 'NA' Certificate as per records on the availability of the medicine on the date of prescription.

It is for strict compliance.
