Subject: Training for the faculty and staff of Technical Education at STI(T) Delhi

Sir,

The National Academy of Broadcasting & Multimedia (Tech.) is a premier training institute in the field of Radio and Television broadcasting. Institute primarily imparts training to officers and staff of All India Radio & Doordarshan in various areas of broadcasting. The Institute is well equipped to cover the following topics:-

- Terrestrial Broadcasting: Radio & TV
- Satellite Broadcasting: Radio & TV
- Studio Production: Radio & TV
- Post Production: Radio & TV

The Institute has also been conducting international training programs on emerging broadcast technologies in collaboration with Asia-Pacific Institute for Broadcasting Development (AIBD) Malaysia and Asia-Pacific Broadcasting Union (ABU) and also conducting one week training course for the Lecturers/HODs of various polytechnics under Institute of Research Development and Training, Directorate of Technical Education, Govt. of UP. Three tailor made courses had already been conducted for Lecturers/HODs of various polytechnics on following topics:

1. Modern Trends in Television Broadcasting
2. FM Radio Transmission
3. Advance Television System

NABM(T) has recently successfully conducted a course on "Modern Trends in Radio & TV Transmission" for HOD/Lecturers of MP Polytechnic from 21-25 July, 2014 at NABM(T) Delhi. The training was highly appreciated for its usefulness by the participants. They expressed their utmost satisfaction in terms of knowledge enhancement, exposure to latest broadcasting technology during technical visits.

NABM(T) has planned a Training programme for lecturers/HODs of UP Polytechnic on "Latest TV Technologies" from 19th to 23rd January, 2015 at NABM(T) Delhi as requested by UP Polytechnic, Kanpur.

The training provides teaching faculty an opportunity to interact with highly skilled and experienced trainers in the field of broadcasting. Lecturers/HODs of polytechnics can definitely be exposed to state-of-art technology i.e. DTH, DTT Transmitter, Digital studio etc.

The course fee details of resident trainees (i.e Rs. 2750/-per day per participant) is given below:

1.	Training Cost	Rs. 1500/-
	Training material/handouts etc.	(12.36% S.Tax extra)
	Site visits (studio/ transmitter/Earth Station)	
2.	Hostel accommodation	Rs. 1000/-
3.	Mess charges (Bed tea, breakfast, morning tea, lunch, evening tea with snacks and dinner)	Rs. 250/-

The institute can organize training for a batch of minimum fifteen participants. Your response in this regard is solicited.

Thanking You,

Yours Sincerely,

(राजेन्द्र कुमार/Rajender Kumar)
