OFFICE MEMORANDUM

Subject: Recommendation of Expenditure Management Commission (EMC) – regarding

The Government of India had constituted EMC in September, 2014 to look into various aspects of Expenditure reforms to be undertaken by the Government. The Committee was headed by Dr. Bimal Jalan, eminent economist and public policy experts.

2. In this context, it is noted that EMC has recommended following related to Public Procurement.

Recommendation No.75 (December, 2015)

"While e-procurement has some obvious advantages such as savings in time and cost, the concerns relating to security and transparency need to be adequately addressed. It is recommended that initiatives towards e-procurement be strengthened and made more robust and that the features of e-procurement portals are duly certified/ audited as per the guidelines of Department of Electronics & Information Technology (DeitY). All e-procurement system should be certified by Standardization Testing and Quality Certification (STQC) for compliance with DeitY Guidelines 31st August, 2011."

3. It may be recalled that the instructions were issued to all Ministries/ Departments by Department of Expenditure OM No. 10/3/2012-PPC dated 30.03.2012 that Ministries/ Departments which do not have a large volume of procurement or carry out procurements required only for day to day running of offices and also have not initiated e-procurements through any other solution provider may use the e-procurement solution developed by National Informatics Center (NIC). Ministries/ Departments with large volume of procurement other than of the nature covered as above may either use the e-procurement solution developed by NIC or engage any other service provider following the due process.

4. In view of all above, it is once again requested that all Ministries/Departments to certify their e-procurement systems from STQC for compliance with DeitY Guidelines dated 31st August, 2011. It is also requested that all the Ministries/Departments should also ensure that valid Audit Certificate issued by STQC is displayed on the Home-Page of all e-procurement websites being used by them.

OFFICE MEMORANDUM

Subject: - Recommendation of Expenditure Management Commission (EMC) -
regarding

The Government of India had constituted EMC in September, 2014 to look into various aspects of Expenditure reforms to be undertaken by the Government. The Committee was headed by Dr. Bimal Jalan, eminent economist and public policy experts.

2. In this context, it is noted that EMC has recommended following related to Public Procurement.

Recommendation No.89 (December, 2015)

"Rule 197(of GFR) describes modes of disposal of surplus and unserviceable goods. Experience shows that in many Departments the disposal of unserviceable goods does not take place as the process is cumbersome. It is learnt that Ministry of Railways uses e-auction for disposal of stores. This system can be used by other Government Departments also for speedy disposal of surplus and unserviceable goods."

3. In this regard, it is stated that Ministry of Railway vide their letter no 2010/RS (G)/779/10COPP dated 27.07.2016 has agreed to offer its e-auction services to other Ministries.

4. All Ministries/ Departments are requested to consider using e-auction services of Ministry of Railways for speedy disposal of surplus and unserviceable goods. Ministries/Departments may also mutually decide terms and conditions for the same with Ministry of Railways.
