The mandate of the Directorate of Education (DoE) has expanded manifold in terms of number of private and Government schools, as well as the number of schemes being run in Government schools. However, the organization structure of the DoE has remained unchanged to respond to these needs and has to be reviewed.

Cadre reviews are required to ensure complete manpower planning and HR needs of the Departments. It will help them in keeping up with the functional requirement of the times.

It is, therefore, desired that cadre review of the Departments of Education, Higher Education and Training & Technical Education may be done at the earliest, as I am given to understand that periodical reviews were not done.

Similarly, an exercise to review/amend the Recruitment Rules of various posts should also be done by the Departments.

... reference names of persons ...
... advertisements on their birth/death ...

Sir,

It is with reference to the order of the Supreme Court
judgement dated May 13, 2015, which is for 3 of 2015
regarding content regulation of the government advertisements. A
copy of said judgement is available on the official website
<http://delhi.gov.in/wps/wcm/connect/DOIT/Publicity/Informational/Press/Prdome>.

The judgement states that-

The Government shall-

Decide and announce beforehand as to persons whose
whose birth or death anniversaries advertisements could be
released every year and specify which Ministry/Department
could release the same.

Avoid the issue of multiple advertisements in different
departments and PSUs of the same Government or
Commemorative Advertisements and shall issue a single
advertisement only."

In view of the above it is requested to prepare a list of such
personalities on whose birth or death anniversaries your department
intends to release government advertisement and send it to DIP
within a week.

Once the names from all Departments of GNCT of Delhi are
received, a draft consolidated list shall be put up for the approval of
the Competent Authority.

Yours sincerely,
