Sub: Short Term Course on "Differential Equations with their Engineering Applications" from 19-23 September, 2016 at this institute (Oplan No.ID-59).

Sir,

The above mentioned short-term course is being conducted by this department for the polytechnic and engineering college teachers at the level of lecturers and above in applied sciences and engineering. The objectives, content outlines and eligibility are given below. It will be appreciated if you kindly sponsor as many teachers as possible for attending this course. The names of the sponsored teachers should reach us by **16th September, 2016** so that admission letters to the teachers may be sent well in time:

Objective: The objectives of this short term course include introduction of differential equations and various methods available for their solutions along with their applications in engineering fields.

Contents: The course will cover contents related to- Differential Equation- Introduction, Classification of differential equation, Methods to solve ordinary and partial differential equations of first order and first degree, Demonstration of Mathematica for solution of differential equations, Series solution method, Applications of differential equations in engineering problems, Numerical illustrations and assessment etc.

Eligibility: Faculty of Polytechnics and Engineering Colleges at the level of Lecturers and above in Engineering and Applied Sciences.

Please note that TA/DA will be borne by this institute for the participants of Govt./Grant-aided polytechnics and engineering colleges and technical institutions of universities. **(Fare limited to 2nd AC for Professors/Principals/Directors, for others 3rd AC/AC Chair Car or the entitled class or actual, whichever is the least).** No TA/DA will be paid to the participants from private/self-financed polytechnics and engineering colleges, however, boarding and lodging will be made available to all the participants free of cost in the institute mess and hostel. **No PG (family accommodation) accommodation will be provided to any participants in any case.**

Thanking you,

Yours faithfully,

(Dr. KC Lachhwani)
