Subject: Short Term Course on "GSM to GPRS" from
08.09.14 to 12.09.14 at your Polytechnic - Reg.

Sr. Madam

Please refer to your letter No.1/100/APS/D 2014 dated 1.8.2014 on the subject cited above. The Electronics and Communication Engineering Department of this Institute proposes to conduct a short term course on "GSM to GPRS" from 08.09.2014 to 12.09.2014 at your Polytechnic. The course is quite useful for the polytechnic faculty and will cover the following topics such as GSM, its Architecture & access technology, GSM Services, GPRS Architecture, GPRS Services, EDGE. The faculty from Electronics & Communication, Electrical, Computer Science, Information Technology & Instrumentation Engineering are eligible to attend the training program.

You are requested to kindly ensure participation of 20-25 Nos. of faculty members for the successful completion of the course. The participants from nearby Polytechnic Colleges/institutions may also be invited to attend the training program. We will provide the following:

1. T.A./D.A. and boarding/lodging expenses of Govt./Govt. Aided external participants/experts will be borne by NITTTR, Chandigarh as per rules.
2. A working lunch & two times tea will be provided to all participants @ Rs.125/- per person. The course fee for self-financed Poly. Colleges/technical institution participants is exempted but T.A./D.A. and boarding/lodging expenses will be borne by the sponsoring authority.
3. An honorarium of Rs.2500/- to local coordinator and Rs.1500/- to ancillary staff for their services during the course will be paid by NITTTR, Chandigarh.
4. Arrangements for boarding/lodging of Participants/Experts/Coordinator (if required) will be made by the host institute and expenses will be borne by NITTTR, Chandigarh.
5. Actual payment for the banner (if any) for the STC will be paid by NITTTR, Chandigarh.

You are also requested to kindly ensure to provide a LCD Projector and Lab. facilities to conduct the training program.

Thanking you.

Yours faithfully,

(Dr. SBL Sachin)
