Sub: Allotment of New GPF Account Number.

Sir/Madam,

The following employees have been promoted from erstwhile Class IV employees on their promotion to the posts under Group C Category and accordingly series of the GPF number was changed from DGA to DG category.

After the recommendations of the 6<sup>th</sup> Pay Commission erstwhile Class IV employees have been re-designated as Group C employees but on their promotion to the same category the requisitions of issue of fresh GPF numbers are still being submitted by the departments whereas after the re designation of these employees as Group C the GPF Number issue under DGA series should be continued.

The matter has been reviewed in this office and it has been decided that erstwhile Class IV employees on their promotion to other Group C posts may be allowed to retain the GPF number already allotted under DGA Series.

It is therefore, requested to issue necessary instructions to the Heads of Offices under your control not to send the requisition of issue of fresh GPF Number in respect of erstwhile Class IV Category employees on their promotion to other Group C posts but the GPF Number already allotted under DGA category may continue to retain.

Yours faithfully,
